Workshop with Jonathan Burrows

Writing dance

From Wednesday, March 21st, to Friday, March 23rd 2012, from 12 noon to 5 pm
Rezidenčni center Cankarjeva – Studio Cepetka, Cankarjeva 5, Ljubljana

Working language of the workshop is English

Choreographer Jonathan Burrows leads a workshop focussing on discussion leading to practical work in the studio. Emphasis will be towards investigating choreographic and compositional process, performance and philosophies, questioning how a dance can be made and what it can communicate to someone watching. Practical work will concentrate on short task-based exercises looking at how to find material and work with time, to hold the attention of an audience and make them care what happens next. Days will be punctuated also with viewpoints on other mediums and ways of working, asking all the time what dance can do and what it can't do.
